Hey there traveler!

Are you looking for a place to call home while you enjoy the beauty of the wild Northwest? Well, come on in! We'll treat you like family.

Are you one for fun?

I bet you're looking for ideas for fun things to do in the CDA area. Maybe we can help. For starters, the Coeur d'Alene Lake is always a great family hang-out. Golfing for you dads, fishing off the pier for the kids, not to mention the sun and sand for everyone. Ferry boats take daily cruises around the lake... sound fun?

O.K., maybe that is sounding a little too calm for you. How about some thrills and chills from nationally acclaimed Silverwood Theme Park. Yeah, we're talking serious roller coasters! It even has a water park attached, so you can have double fun in one!

But some of you are saying, "Let's get out in Nature. Take a

hike, go canoeing." All right, we can do that, too. There are over 46 wilderness hiking trails around the area. Or try your canoeing abilities on

Lake Coeur d'Alene.

to dining on pasta, pizza, or seafood at a fine restaurant nearby.
